## **Sponsors needed**

We are seeking a core group of sponsors willing to contribute toward the \$2000 required for Essence's airfare and equipment rental, so that all concert donations can be sent directly to Saltadere. (Essence has agreed to sing for us without any fee.) Contributors' names will appear in our concert programs, if desired. Contributors are invited to the Essence concerts and to other private events with the artists.

Please consider making a contribution at the \$50, \$100 or \$200 level as a sign of solidarity with our Haitian brothers and sisters. Though Haiti no longer appears in daily headlines, the needs are still great. Should you care to contribute, simply put a check in the St. Thomas Aquinas Church Sunday collection, or mail it to the church's address 401 Alderman Road, Charlottesville, VA 22903, with "Essence concert" written in the memo line. Should you wish to remain anonymous, please note that as well.

On behalf of the youngest of St. Michael's School students we thank you!
